

PT MNC Energy Investment Tbk Signs a Rp5 Trillion Coal Mining Contractor Agreement with PT Kalimantan Prima Persada

Jakarta, December 23, 2025 – Today, PT MNC Energy Investments Tbk (IDX: IATA), through its subsidiary PT Arthaco Prima Energy (APE), officially entered into a coal mining contractor agreement with PT Kalimantan Prima Persada (KPP MINING), a subsidiary of United Tractors (IDX: UNTR) and part of the Astra Group.

The signing of the cooperation agreement took place in iNews Tower, Jakarta and was executed by Suryo Eko Hadiano (President Director of IATA), Leader DS Daeli (Director of IATA), Wahyu Widaryanto (President Director of KPP MINING), and Tutut Rahendro (Director of KPP MINING). The scope of the agreement covers comprehensive coal mining services, including overburden stripping (waste removal) activities.

The agreement has a term of 5 years, commencing in January 2026, with a total contract value of Rp5 trillion, under which KPP MINING will act as the mining services contractor within the Production Operation Mining Business License (IUP-OP) area of APE, located in Musi Banyuasin Regency, South Sumatra.

Over the contract period, total coal production is targeted to reach 33.6 million metric tons (MT), with first-year (2026) production targeted at 3 million MT. The total volume of material to be handled over the cooperation period is projected to reach 140.9 million bank cubic meters (BCM).

“This cooperation marks a concrete initiative by IATA to enhance operational strength, boost effectiveness and efficiency, and maximize coal production scale through the Arthaco Prima Energy IUP, which has entered the commercial production phase. Through this strategic collaboration with a leading mining services player, we are confident that IATA’s operational performance will become further optimized, sustainable, and value-accretive,” said Suryo Eko Hadiano, President Director of IATA.

Meanwhile, Wahyu Widaryanto, President Director of KPP MINING, stated, “KPP MINING is committed to delivering reliable and integrated mining services. This cooperation adds strategic value by expanding our project portfolio while optimizing KPP MINING’s operational capabilities. We consistently uphold operational excellence through the implementation of stringent safety standards, sustainable mining practices, and the development of long-term, mutually beneficial partnerships,” he said.
